Principal's News

Kia ora Whānau,

I hope you all are able to have a break of some sort over the next two weeks. Many of our students have reported being really tired and in need of a rest, and I am sure as parents you feel the same.

We are all looking forward to more settled weather in Term 4 which will enable us to enjoy more outdoor activities. We are crossing our fingers for fantastic weather in November when all the roopu go to Camp Adair for team building and fun activities. The details are listed below. I would like to thank the RIS Board of Trustees for funding some of the costs for this to enable all our students to participate.

Being eternally optimistic, we would like to remind all our students that Term 4 is hat term. Please ask your child to dust off their hat, in preparation for next term.

Hoping to see as many of you as possible at our Roopu Sing Off on Thursday. I am very glad that I am not a judge as the competition is fierce.

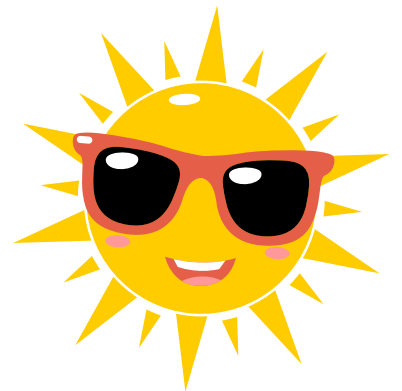

Thank you all for your support over the term. Wishing you all a safe and happy break.

Ngā mihi

AIMS Games 2024

13,000 athletes from 373 schools across 27 codes making it bigger than the Olympics.

Aims was so much fun. I met lots of kids from different schools and even some schools from Fiji and Tonga. Everyone was super friendly and helpful. Overall it was a great experience and I was so happy to take part in such an awesome event.

I achieved personal best times in the 200 m , 50 backstroke and 100 metre freestyle

By Olivia Drower Rm 1

I had set myself a goal of a top ten finish. It was the most intense competition with so many other talented swimmers. but over my 11 events, I managed 9 PB's, swimming faster than I had ever swam before. I managed my goal of a top ten finish and got a finalist ribbon in my favoured event 100 Butterfly. I also got 11th in my 200m Freestyle, 12th in the 50m Butterfly and 50m Freestyle, 13th in the 200 IM and finished inside the top twenty in all but my least favourite event, the 50m Breaststroke. I made my goal.

It was good catching up with my swimming friends from around the North Island, and a great opportunity to make new friends. I even ran into a friend I had made at Sports camp while watching the football. It was such an amazing event and I can't wait to do it all again next year.

Rosehill Intermediate School Enrolment Process

The Rosehill Intermediate School Board of Trustees invites applications from parents who wish to enrol their child/ren at Rosehill Intermediate School for 2025. Hard packs are available from the school office from the 6th September 2024.

Parents of students who live within the home zone should apply as soon as possible to assist the school to plan appropriately for next year.

Enrolment at the school is governed by an enrolment scheme, details of which are available from the school office and online from our website www.rosehillintermediate.school.nz.

The deadline for receipt of applications for out-of-zone places is **27th September 2024**.

The Board has determined that 50 places for Year 7 and Year 8 students are likely to be available for out-of zone students next year. The exact number of places will depend on the number of applications received from students who live within the school's home zone.

If the number of out-of-zone applications exceeds the number of places available, students will be selected by ballot. If a ballot is required it will be held on **14th October 2024** and parents will be informed of the outcome of the ballot within three school days of the ballot being held.
