## Principal's News

Kia ora whanau

By now you should have received the information sheets and permission slip for Camp Adair. We must apologize as the 2 last digits were left off the internet banking account.

It should read 12-3031-0070937-00

Please check with your child if you have not received all this information.

We have reprinted the permission slip in this newsletter so you can keep the information at hand.

We are all looking forward to the day camp which will involve all our staff and hopefully all our students.

This Camp is not an end of school trip, it is simply a fun, team building, outdoor experience. We are hoping to extend this next year to an over night/ 2 day experience.

As all the staff have been involved in Outdoor education over the last 2 years we are very keen to broaden the outdoor experiences that we offer at Rosehill Intermediate.

Thank you for supporting your child with this experience.

## Every day at school matters

Our school attendance rates have been slowly decreasing as the year progresses and it is very concerning.

Going to school every day is important for students to develop skills for lifelong learning.

There's a clear connection between going to school regularly and doing well in the classroom. Higher levels of educational achievement can mean better health, higher incomes, better job stability, and more participation in communities. This all makes society stronger and more connected. Making sure that students attend school regularly is a priority for us all.

## Counties Zone Basketball Tournament

In Week 1 our boys and girls basketball teams competed in the Counties Zone Basketball Tournament. Both teams showed our school values on and off the court at Bruce Pulman Arena. Our student athletes left it all on the court, competing against several other schools. Thank you to Miss Brooks and all of the helpers from Room 1 for organizing a well-run tournament! - Mr Hales

## News From the Board

At Rosehill Intermediate every student has the opportunity to participate in 2 technology classes per week. In addition to this, we have music and art specialist teachers who provide programmes for all classes. Here is an example of some of the work that the students create.

### Multi-Materials

#### Resins, Lasers & Gaming

The Year 7 students have been designing computer games and the Year 8 students create their own vector designs which are then cut or engraved with the laser cutter. Students use either wood or acrylic for their design.

Meanwhile, another class focuses on woodwork skills using a scroll saw, file, carving tools, sand paper, wood stain, glues and wood sealer, plus making pvc moulds, mixing and pouring resin with optional additives of glitter, jewels, shells, a picture, dye and paint. Products Made: one of Fridge Magnet, Bag Tag, key ring, Necklace, Ear rings and a Table Coaster.

## ROSEHILL INTERMEDIATE SCHOOL STAFF PINK BREAKFAST

Last Term Rosehill Intermediate staff hosted a very successful 'Pink Breakfast' in aid of Breast Cancer NZ. Events like these make an enormous difference in women's lives.

We would like to take this opportunity to thank Evergreen Cafe, found at 17 Evergreen Parade for their generous sponsorship of lunch vouchers in the raffle draw.

Thank you to Tanya for her help in securing the vouchers and we encourage you to visit the cafe.
