ROSEHILL REVIEW

ROSEHILL INTERMEDIATE SCHOOL

Principal's News

It has been a very positive start to the year, and I am delighted with how well our new students have settled into school life. Starting somewhere new can be exciting, but it can also feel challenging for some. Change can be difficult; however, it also brings new opportunities to grow, build friendships, and develop confidence.

It has been fantastic to see our tamariki making the most of the many opportunities we provide. Our recent Swimming Sports Day and participation in the Water Skills for Life (WSFL) programme have been highlights. Students showed great enthusiasm, courage, and house spirit, while also developing essential water safety skills.

I have also been extremely impressed with the strong number of applications for leadership roles this year. We received a large number of applications for House Leaders, School Councillors, and Art Leaders. This speaks volumes about the pride our students have in their school and their willingness to step forward and serve others.

Living Our School Values Every Day

At Rosehill Intermediate, our school values are at the heart of everything we do. Every day, we actively promote and teach our core values of **Respect, Integrity, and Self-Management.**

These values guide how we learn, how we treat others, and how we represent our school in the wider community. Throughout the term, we acknowledge and reward students who consistently demonstrate these values in the classroom, in the playground, and at school events. It is always a pleasure to celebrate students who model positive behaviours and lead by example.

We encourage whānau to continue reinforcing these values at home. When school and home work together, our tamariki thrive.

We also ask that members of our wider community model these same values when interacting with our staff and students. Showing respect in conversations, acting with integrity, and demonstrating self-management in all communications helps us maintain a positive and supportive environment for everyone.

You can read more about our values and what they look like in action by visiting our school website.

Together, we can ensure Rosehill Intermediate remains a place where everyone feels safe, valued, and supported.
